ALVIN K. HELLERSTEIN, U.S.D.J.:

The Port Authority of New York and New Jersey has been preserving artifacts from the events of September 11, 2001, for use as evidence in litigation in this Court and for eventual use by the National September 11 Memorial and Museum. In an Order dated July 7, 2009, I granted the Port Authority permission to transfer certain artifacts within its possession to the Museum. See Order, In re September 11 Litig., 21 MC 97 (Doc. No. 1491) (S.D.N.Y. July 8, 2009). Pursuant to that Order, the Port Authority has written to the Court, seeking to transfer an FDNY ambulance. Incident to the transfer, the Port Authority asks permission to have the New York City Office of the Chief Medical Examiner examine and remove evidence in the ambulance; and to permit the Museum to clean the ambulance.

Before granting the Port Authority's request, it is appropriate to give the parties to this litigation an opportunity to comment or object. Any interested party may comment on or object to the request by July 6, 2011.

SO ORDERED.

Dated: June 30, 2011
